To our Partners in Industry,

The Florida Society of Dermatology Physician Assistants (FSDPA) is excited to invite you to partner with us for our 2nd annual **Riptide** symposium. The FSDPA has matured into one of the strongest state societies for PAs working in the field of dermatology. Our efforts for our constituents not only include professional CME; we also serve to connect them with the national society (SDPA), support our state PA society (FAPA), promote disease state awareness to the public, facilitate discussions at journal clubs and reach out to PA students by providing scholarship awards. All these things we do cannot be done without support from you, our industry partners, and friends.

Riptide is a grass roots effort to reach dermatology Physician Assistants in areas of Florida that have needed local, live, and professional CME. Although our New Wave conference has provided top-notch CME and served as an excellent showcase for our industry partners, the size of New Wave requires larger and very accessible locations. The single day Riptide symposium is targeted towards the areas of the state that would benefit from a smaller, more intimate meeting.

Our **Riptide** event has been planned to be a single day of CME focused on the dermatology PAs in a specific region. Attendee count will be limited to 60. We hope to cultivate a more immersive and boutique event for not only our members, but also for the presenters and industry partners. With such a small group, we plan to escape the dreaded "lecture and listen" school room style presentations and develop engaging conversational style segments complete with games and challenges.

As an industry supporter, you will be provided a more intimate connection with the attendees. There will be time for representatives to speak with attendees as well as opportunities to deliver promotional material by sponsoring product theaters. We would like to encourage the local representatives to present on behalf of their industry partners since they will be in front of their community of providers whom they call on throughout the year.

The FSDPA (a not-for-profit state designated 501c3 organization) would like to encourage your participation and support in the unique, interactive event. We anticipate excellence, please join us!

Sincerely,

Heather Gates PA-C
FSDPA President

Scott Freeman PA-C

Mission:

This single day, CME symposium, has been designed to meet the needs of dermatology Physician Assistants in the state of Florida. The design is concise and meant to be a simple, cost-effective means of obtaining high level CME credits without requiring extensive travel or significant out of pocket expenses for the individual attendee. Collaboration with peers and the unique style of presentation sets this activity apart from others. Through this innovative program, the FSDPA hopes to elevate the knowledge and clinical expertise of each attendee.

Program Highlights:

- Boutique experience from every aspect
- Conversation style presentations
- Limited seating to avoid the “needle in the haystack” feeling.
- Top national presenters
- Robust involvement of industry and our partners
- Social events to create new friendships and leadership opportunities.
