

# FSDPA SCHOLARSHIP

FSDPA (Florida Society of Dermatology Physician Assistants) is a not-for-profit organization which provides education for PAs and the general community. Our annual educational conference, New Wave Dermatology, is a great resource for CME credits and also a way to meet fellow PAs practicing or interested in dermatology.

FSDPA is expanding its reach and needs your help for ideas! Please see the description and requirements below. Check out our website at <http://fsdpa.org/> for more information about the organization and how to get involved. Membership is free and students are welcome!
